

HEARTLAND

YOU CAN TASTE IT FROM WHERE YOU ARE

2021 Heartland Cartevilla Shiraz

Heartland is the place between the vines that offers the best view of the gum trees.

We produce wines that remain true to the recognized Australian style, and the cool climate of Langhorne Creek. Heartland Shiraz is a pure expression of Australia's most iconic variety.

Winemaker: Ben Glaetzer
Region: Langhorne Creek
Soil: Sandy loam
Variety: Shiraz

Tasting Notes:

Cartevilla Shiraz is forward, mellow and easy to enjoy immediately. Forged by Ben Glaetzer at our Barossa winery, this wine showcases the spice-filled refinement of Langhorne Creek and the fruit intensity of the Australian sun. Fruit and structure sit in perfect balance to offer a Shiraz with dark fruit and obvious appeal.

Vinification:

The Shiraz was de-stemmed, crushed and pumped over twice a day for twelve days. The wine was matured in older oak barrels for twelve months prior to bottling.

2021 Vintage:

Good ground cover formed from winter rains bolstered the vineyards through a warm and dry spring. Natural acidity was once again the gift of the cool lake breeze. Langhorne Creek had cooler nights than the coolest parts of the Adelaide Hills and this meant a long growing season. We were still harvesting until mid-April. The above average yields are a blessing as the fruit is amazing. This vintage will be heralded as one of the best of the last 10 years.

Alc/Vol: 14.5%
Age of vines: 20yrs+
Age of barrels: 2-3yrs
Cellaring potential: 5-7yrs

Maturation vessel: French and selected American hogsheads in combination
Time in barrel: 12 months
Suitable for vegans: Yes
